

Some quick Q & A before your look into Siva's Detailed Profile in the following page.

Why Siva is doing what he is doing? What's his ultimate Purpose?

Siva's mission as he says is, "I wake up every morning with a great intention and purpose of helping Organisations build better Leaders for their future".

Why should you hire Siva as a Speaker or a Facilitator?

As an expert Keynote Speaker, Siva has mastered the art of Entertaining, Engaging and Educating people with inspiring stories and real world examples. His super energetic presentation style will stimulate new ideas, increase passion, inspire to action, promote teamwork and drive better performance. Your team will love you for bringing Siva to speak in your Conference or Seminar or any Event. He is much easier to work with, as his intention always is to make you and your event successful.

What's special about Siva to invite him to speak?

Hhhmmm.....there's nothing special in particular. He don't have a rags to riches story, he was never bankrupt in his life and he even had a good childhood. He is just an ordinary human being like you, but with an extraordinary passion to make a difference in people's life. His continuous research, global exposure and experience enables him to deliver his programs with tangible takeaways and action items that people love. Yeah...that's special.

What is Siva's Professional Speaking Fee like?

Siva's Speaking Fee is based on various factors like Topic, Duration of the Talk, Number of Participants, Value added Products or Services and City or Country the event is taking place. Write to siva@sivaspeaks.com or call **+91 9600 924 929** for more details on his Fee and Dates availability.
