**Help Your Leaders Build The  
Mindsets That Matters The Most**

# About Sivakumar Palaniappan

Leading multinational companies, business conferences and associations hire Siva to educate their Senior Managers and Leaders to compete more effectively in the dynamic and changing markets. He has helped several companies nurture and build inspiring leaders for today and tomorrow.

He has been invited to several countries to speak at Conferences and Organisations.

As a thought leader and educator on Leadership Mindsets, Mindset Strategies and Change Leadership, Siva's human-centered approach to his keynote speeches, training programs, workshops and leadership development retreats delivers results that matter the most and change that lasts long.

As an Engineer, Team Lead, Project Manager and HR Leader, he has worked with global giants including Philips-NXP Semiconductors, Qualcomm and Bosch. He presents powerful insights and best leadership practices with more than two decades of experience in working with the leading multinational tech companies.

Siva's expertise and experience in both Business Departments and Human Resources and his passion for Brain Science and Psychology bring a holistic combination of business insights and human behaviour that instantly connects with the managers and leaders.

## Keynote Topics

Leadership Mindsets

Mindfulness & Focus

Resilience & Grit

Change Leadership

"We loved your Energy and the Mindset Framework. Our large group of Chartered Accountants were off their mobile phones for entire 90 mins. I am seeing this for the 1<sup>st</sup> time." – **Santhosh TV, President - Bahrain Chapter of ICAI (BCICAI)**

"Your session on Change Leadership helped our managers understand the nuances of initiating and implementing large scale change in the dynamic work environment. Thank you for your two days of highly engaging workshop." – **Anand Sen - Vice President, Tata Steel.**

"Thank you for the inspirational session. Your activity-based session was well received. Our senior leaders from Switzerland are greatly impressed with the results and outcomes of your program back in the office." – **Satayanarana, General Manager - Mettler Toledo Software.**

## Signature Keynotes To Help You Succeed

### Mindsets That Matter the Most

Human brain is the most powerful competitive weapon if your leaders know how to use it effectively. Siva will provide a deeper understanding on how they can use their mindsets and mental models to enhance leadership potential.

### High Performance Team Mindsets

Siva specifically focuses on those leadership skills needed to build engaged and high-performing teams. Siva will teach a highly practical, no-nonsense approach that helps leaders: build teams with synergy and focus towards the organisational goals.

### Change, Lead and Thrive

In today's pace of change, leaders have to become more resilient, stay grounded in ambiguity, navigate through the uncertainties and still thrive. Siva will share some of the modern research on adaptive leadership with global case studies and convincing stories.
